PARIS

FRIDAY, 3 SEPTEMBER, 2010

PARIS FEMTOSECOND LASER USER FORUM

Please join us for an interactive educational program on Femtosecond Laser technology at this years ESCRS meeting, in Paris. This program is a great opportunity to gain valuable surgical and practice pearls from your fellow colleagues.

AGENDA

07:00 - 08:00	Registration and Breakfast
08:00 - 12:00	Femtosecond Laser Educational Session
17:00 - 18:00	Reception

Location

InterContinental
PARIS-LE GRAND
2 Rue Scribe
France, 75009

PAPER SUBMISSION

We look forward to your attendance and encourage you to share your experiences and challenges with your colleagues by submitting an interesting clinical case study. Request for paper submission is due by 31 July, 2010.

Should you be interested in submitting a talk for consideration, click here:
